

## How to use Silicon Mats

To print onto Choco Sheets® please follow our [processing instructions for Choco Sheets®](#)

- ① Place Silicon Mat on top of the Choco Sheet®

- ② Pour tempered (31.5 – 32.0°C) white chocolate on the Silicon Mat

- ③ Remove excessive chocolate and cool at 4-8°C for approx. 15 minutes

- ④ Invert and remove Choco Sheet® from chocolate and Silicon Mat

- ⑤ Gently remove the chocolate pieces from the Silicon Mat

- ⑥ Your logos can now be added to truffles
